

FAST TRACK BRIDGE – COURSE INFORMATION

This short intensive course is for beginners who want to learn to play bridge. The pace is somewhat faster than longer courses.

- Will suit people who want to start playing bridge quickly
- Convenient for anyone who cannot commit to a long course
- Ideal if you have learnt before and need to refresh your knowledge

The course is run over 8 consecutive Saturdays from 10am to 1 pm

Course dates:

This course is run "subject to demand" so a start date is set when I have enough people registered. Please complete the form at www.bridgeclassbristol.co.uk to register your interest.

Payment is made once there is sufficient interest and an agreed start date has been set.

There will usually be 8 sessions of 3 hours each, held on Saturday mornings. Total will be 24 hours of tuition. Session dates can be agreed to suit the group. For example we may exclude school half term dates to suit families.

Most groups will be for 8 people with a maximum of 12 but smaller groups may be possible.

Fast Track can also be run for small private groups. Tuition fees available on request.

Course outline:

Beginning with introducing how bridge is played you will move on to learn about card play and using a bidding system. You will learn and practice as you gain playing skills and build up your bidding knowledge.

By the end of the course you will be able to bid and play with some guidance and understand the most common situations. During and after the course, some additional practice play sessions will be offered.

Cost: £150 Includes course text book, additional materials, on line learning program (free trial).

STUDENT DISCOUNT: Please contact us for details
